Any direct Engagement by you of a Home Care Assistant/Support worker (Company employee) supplied by us shall render you liable to pay a Permanent Engagement Fee to us of £1500. If you directly engage the Home Care Assistant/Support Worker, you must decide whether to continue to have the company employee supplied on the same terms for an extended period of 6 months from the date we receive notice of your intention to directly engage the Home Care Assistant/Support worker. Following which they will be able to transfer to you without the payment of any fee; or pay a fee of £1500 for the direct engagement.

For the avoidance of doubt the fee shall only be payable where the engagement occurs within 14 weeks of the date the first providing the Service or within 8 weeks of Home Care Assistant/Support worker last providing the service. Provided that if there has been a break of more than 42 days between the first time the Home Care Assistant/Support worker provided the Service and the last time the Home Care Assistant/Support worker provided the Service, the latter date shall be deemed the start date of the 14-week period.
